**MINISTER OF  
SUSTAINABLE DEVELOPMENT**

---

Legislative Building  
Winnipeg, Manitoba, CANADA  
R3C 0V8

JUL 26 2018

Mr. Barry Friesen, P. Eng  
General Manager  
CleanFARMS Incorporated  
10 Four Seasons Place, Suite 400  
Etobicoke ON M9B 6H7

Dear Mr. Friesen:

I am pleased to issue an Approval to CleanFARMS<sup>®</sup> Incorporated (Clean Farms) for the Industry Stewardship Program Plan for Empty Pesticide and Fertilizer Container Program, Version 3 (the Program) for Manitoba effective July 1, 2018. Pursuant to Section 7(4) of the Packaging and Printed Paper Stewardship Regulation (Regulation) under the Waste Reduction and Prevention Act (WRAP Act), this Approval will expire June 30, 2023.

This Approval is issued to Clean Farms under Section 7(2) of the Regulation and is subject to Clean Farms meeting the conditions as set forth in "Attachment A" of this letter, and which forms part of this Approval.

If I am not assured that Clean Farms is implementing or operating the Program substantially in accordance with its intent, or where I or my officials have concluded, based on relevant circumstances, that the Program or terms of this Approval, including "Attachment A: Conditions of Approval" should be reviewed, then pursuant to Section 8 of the Regulation new or additional conditions may be imposed as deemed appropriate so as to ensure that the environmental outcomes and regulatory requirements are fulfilled.

The Department intends to establish guidelines for third party assurance of non-financial information to be reported by all approved stewardship program operators in the Province of Manitoba. My officials in Manitoba Sustainable Development will work with Clean Farms to establish guidelines to provide the Manitoba government with a reasonable level of assurance that key performance measures of the Program are reported accurately.

It is a priority of this department that the Program provide convenient, province-wide accessibility to all Manitoba communities including Manitoba's northern, remote and First Nations communities. I expect Clean Farms to work collaboratively with other Producer Responsibility Organizations to maximize synergies and deliver program outcomes in a cost effective and efficient manner.

I also expect your program to continue to develop synergies with your operations in other jurisdictions, particularly as it pertains to capturing other farm-related materials, such as plastic films and wraps.

I will take this opportunity to remind you that under Section 11(1) of the Regulation, as Minister, I have the authority to suspend or cancel the Approval of the Program at any time if there is a breach or contravention by Clean Farms as the operator of the Program, of either the WRAP Act or the Regulation or the conditions set forth in this Approval and, if applicable, subsequent amendments of this Approval.

Any notices to be provided to department officials pursuant to this Approval shall be submitted in writing to: Senior Manager, Waste Diversion and Recycling Unit, Manitoba Sustainable Development, Box 38, 200 Saulteaux Crescent, Winnipeg, Manitoba, R3J 3W3.

Clean Farms should submit their next application for renewal of this Approval by January 31, 2023 to ensure adequate time for review and public consultations.

I look forward to the continued operation of the Program in the Province of Manitoba.

Yours sincerely,

Rochelle Squires  
Minister

Attachment

c: Mr. Brad Orr, Chair of the Board

**ATTACHMENT A**  
**Conditions of Approval**  
CleanFARMS Incorporated

The conditions set forth below form part of the Ministerial Approval for the Clean Farms Empty Pesticide and Fertilizer Container Stewardship Program pursuant to the Packaging and Printed Paper Stewardship Regulation (Regulation) and are as follows:

THAT Clean Farms:

1. Implement and operate the Program substantially in accordance with its intent, consistent with the requirements of the WRAP Act, the Regulation, the Conditions of Approval and the Guideline for Packaging and Printed Paper Stewardship, as approved and amended from time to time.
2. Identify a senior official with Clean Farms as a contact person to work with my officials at Manitoba Sustainable Development to provide such assistance or any information (including both financial and non-financial information) that may be deemed necessary in a timely manner to enable them to provide me with information to assess whether Clean Farms has implemented the Program and it is operating substantially in accordance with its intent and the Conditions of Approval and, if applicable, subsequent amendments to this Approval.
3. Retained earnings shown on Clean Farms financial statement for the Manitoba Program (total revenues less total expenditures), as determined by an external auditor, shall not at any time during the term of this Approval, exceed an amount equal to one year's program revenue.
4. Achieve a 75% or higher recovery rate for empty pesticide and fertilizer containers by the end of the term of this Approval.
5. Submit an annual report to Senior Manager, Waste Diversion and Recycling Unit, Manitoba Sustainable Development per the applicable regulation and guidelines.
6. Provide updated information on collection sites/depot locations to Manitoba Sustainable Development when requested or when substantial changes occur.
7. Maintain its status as a body corporate and registration under The Corporations Act, C.C.S.M. c. C225 (Manitoba) while operating the Program.
