

Expanding ag waste recycling options for Alberta farmers!

Alberta agricultural producers can drop-off ag waste materials, free of charge at participating collection sites across the province.

Our ag-retailer and municipal partners collect and store your ag waste materials; then we arrange for them to be transported for recycling or safe disposal.

Here's what we're collecting

Where & when

 <p>Containers up to 23L</p>	<p>Commercial pesticide & fertilizer jugs</p> <ul style="list-style-type: none"> empty jugs up to 23L; triple or pressure-rinsed and placed in a collection bag collection bags available free of charge through retailer at point of purchase 	<p>Ag-retailer or select municipal collection sites¹ May to October</p>
