

**Pesticide and fertilizer containers up to 23L**

### **Important**

- Please return empty containers 23L & smaller in Cleanfarms collection bags.
- Obtain free collection bags from your local ag retailer or municipality.

**1**

#### **Rinse**

Triple or pressure rinse to ensure no product is wasted.

**2**

#### **Remove/Bag**

Remove paper booklets (and discard), bag containers and tie closed. Ensure seed treatment containers are bagged separately.

**3**

#### **Return**

Return properly prepared empty jugs to your municipal collection site or to your participating retailer or seed dealer. Check with your municipal site to ensure they are still collecting these containers.

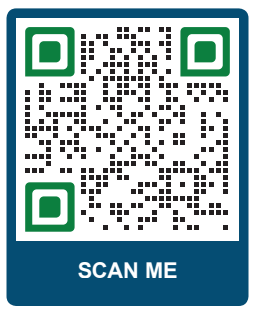

### **Remember**

- In Alberta & Manitoba, collection sites for containers 23L & smaller are gradually changing from municipalities to ag retailers. Check schedule in your area and contact Cleanfarms with any questions.
- LARGE ACREAGE: Prairie farms may be eligible for on-farm free pickup of large amounts of containers 23L & smaller; seed/pesticide & inoculant bags; drums & totes. For information: 877-622-4460.
- Store unwanted pesticides and old livestock/equine health medications safely until the next designated collection event.

# Let's make it to 100% in 2023

## Recycle every container!
