

Let's make it to 100% in 2023

Recycle every bag,
jug & container!

Seed and pesticide bags
& large tote bags

Pesticide and fertilizer
containers up to 23L

Totes & drums

1

Empty

Ensure seed/pesticide/
inoculant* bags are
completely empty.

2

Bag/Bundle

Obtain free collection bags
from ag retailers.
Small bags (<100kg) – place
in collection bag. When full
secure with twine or zip tie.
Large bulk bags (>100 kg) –
flatten & fold into bundles
of 5 or 6. Tie with twine.

3

Return

Return properly prepared materials to your participating ag retailer. Check first to confirm which items are accepted.

Rinse

Triple or pressure rinse to
ensure no product is wasted.

Prepare

Remove and discard booklets
and caps.

Drain

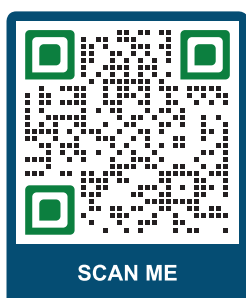

Drain & rinse (where possible)
to ensure no more than 1" of
product remains.

Close

Keep all caps and/or closures
in place. Do not remove
cages from 1,000L totes;
otherwise they won't be
accepted. Ask ag retailer if
fertilizer totes can be
returned.

Remember

- * In PEI only, empty fertilizer bags are accepted at designated collection sites.
 - Store unwanted pesticides and old livestock/equine health medications safely until the next designated collection event.
- Please check Cleanfarms.ca to see when these special collections are in your region.
