Background

- A. Cleanfarms Inc. ("**Cleanfarms**") is a federally incorporated not-for-profit industry stewardship organization committed to environmental responsibility through the proper management of agricultural waste. Cleanfarms is operated in accordance with its by-laws (the "**General By-laws**"), a code of conduct as approved in accordance with the General By-laws (the "**Code of Conduct**"), and corporate policies enacted from time to time in accordance with the General By-laws (the "**Corporate Policies**") (the General By-laws, Code of Conduct and Corporate Policies are collectively referred to herein as the "**Governance Documents**").
- B. Cleanfarms operates several national and regional stewardship programs across Canada, some of which are provincially mandated (collectively, the "**Cleanfarms Stewardship Programs**"). Cleanfarms continues to develop new stewardship programs. Cleanfarms operates all of the Cleanfarms Stewardship Programs in accordance with requirements developed for each such stewardship program ("**Program Requirements**").
- C. The entity applying for membership in Cleanfarms (the "**Applicant**") wishes to participate in certain Cleanfarms Stewardship Programs that are or will be offered by Cleanfarms.

Terms and conditions

In consideration of the mutual promises contained in this Membership Agreement and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged by each party, Cleanfarms and the Applicant agree as follows:

1. Interpretation

- 1.1 The Applicant acknowledges that it has been provided with copies of, and has had the opportunity to review, this Membership Agreement and the Governance Documents, current versions of which can be found [here](#).
- 1.2 Unless otherwise defined in this Membership Agreement, capitalized terms that are used in this Membership Agreement have the meanings given in the General By-laws.
- 1.3 The Cleanfarms Stewardship Programs that apply to pesticides, fertilizers, seeds, and/or inoculants are referred to as the "**Level-I Cleanfarms Stewardship Programs**", particulars of which are shown in the attached Schedule B.
- 1.4 The Cleanfarms Stewardship Programs that do not apply to pesticides, fertilizers, seeds, and/or inoculants are referred to as the "**Level-II Cleanfarms Stewardship Programs**", particulars of which are shown in the attached Schedule D.
- 1.5 In the event of any discrepancy between this Membership Agreement and the Governance Documents or Program Requirements, the Governance Documents or Program Requirements, as applicable, will govern.
- 1.6 The Applicable Level-I Stewardship Programs and the Applicable Level-II Stewardship Programs are referred to as the **Applicable Stewardship Programs**.
- 1.7 "**Confidential Information**" means information made available to the parties through the operation of the Membership Agreement and includes all information that is not publicly available and is of such a nature that a reasonable person would believe it to be confidential or proprietary. For greater certainty, Confidential Information does not include aggregated data of volumes of products sold into a jurisdiction in a specific timeframe. For greater certainty, Confidential Information excludes information which a Member can reasonably demonstrate was already in the Member's possession before receiving it from Cleanfarms or through the Applicable Stewardship Program without violation of any confidentiality obligation.

2. Membership

- 2.1 Subject to the terms set out in this Membership Agreement and to admission by Cleanfarms, the Applicant agrees to become a member of Cleanfarms ("**Member**").
- 2.2 The Applicant acknowledges that its application for membership is subject to approval by Cleanfarms in accordance with the General By-laws.

3. Responsibilities of the Member

- 3.1 Upon the admission of the Applicant as a Member, the Member agrees to:

- a. abide by the terms set forth in the Governance Documents;
- b. abide by the terms set forth in this Membership Agreement;
- c. subject to Section 4.1 below, participate in all Level-I Cleanfarms Stewardship Programs that are applicable to any products the Member sells, in accordance with the applicable Program Requirements and applicable laws. Schedule A identifies those Level-I Cleanfarms Stewardship Programs that apply to the Member and its products (the **"Applicable Level-I Stewardship Programs"**);
- d. subject to Section 4.2 below, participate in one or more Level-II Cleanfarms Stewardship Programs identified in Schedule C (Level-II Member Program Schedule). Schedule C identifies the Level-II Cleanfarms Stewardship Programs that the Member wishes to participate in (the **"Applicable Level-II Stewardship Programs"**);
- e. pay the fees associated with the Applicable Level-I Stewardship Programs identified in Schedule A and/or Applicable Level-II Stewardship Programs identified in Schedule C to this Membership Agreement; and
- f. promptly provide updates to Cleanfarms if there are any changes to the Member's activities as shown in Schedule A and/or Schedule C from time to time.

3.2 Without limiting the generality of the foregoing, the Member agrees:

- a. to participate in the Applicable Stewardship Programs and comply with all Program Requirements, including any updated Governance Documents referenced in subparagraph 5.2e;
- b. to provide such sales data, in a timely manner, as may be requested by and necessary for Cleanfarms to remain in full compliance with the Applicable Stewardship Programs, including without limitation by participating in any Cleanfarms sales surveys and in accordance with Schedule A, B, C and D. Sales data includes the nature (e.g., brand names) and quantity of the products or materials sold, the Canadian jurisdictions and the dates of sales but excludes pricing information and customer identities unless customer identities (e.g., business to business sales) are required for Cleanfarms to remain in full compliance with applicable laws;
- c. to pay all fees as may be established and charged by Cleanfarms from time to time in accordance with the Governance Documents, Schedule A, B, C and D and Program Requirements;
- d. to maintain records of sales data for a minimum of 7 full calendar years, relating to the products covered by Applicable Stewardship Programs in accordance with the Governance Documents, Program Requirements and applicable laws. Sales data includes the nature (e.g., brand names) and quantity of the products or materials sold, the Canadian jurisdictions and the dates of sales but excludes pricing information and customer identities unless customer identities (e.g., business to business sales) are required for Cleanfarms to remain in full compliance with applicable laws;
- e. that Cleanfarms may, from time to time, audit the records of the Member with respect to compliance with Program Requirements and the payment of fees. The Member shall make available to Cleanfarms all records relating to compliance with Program Requirements and payment of fees to the extent reasonably required to perform an accurate audit; and
- f. to only use any information obtained through its membership, including, for greater certainty, any Confidential Information, for the purpose that information is obtained, and not to use any Confidential Information, directly or indirectly to develop a stewardship program that competes with any existing Cleanfarms Stewardship Program or Stewardship Program under development by Cleanfarms, which development is known to the Member.

4. Member Program Schedule

- 4.1 If at any time after becoming a Member, the Member commences selling products covered by a Cleanfarms Level-I Stewardship Program that is not checked off on Schedule A, the Member must promptly notify Cleanfarms and participate in all Applicable Stewardship Program(s) for such product(s). Cleanfarms shall, after receiving notice from the Member, prepare an updated version of Schedule A for the Member to include the additional Cleanfarms Stewardship Program, which shall replace the existing Schedule A.
- 4.2 A Member may, upon not less than 30 days prior written notice, terminate its participation in a Level-II Cleanfarms Stewardship Program. Cleanfarms will subsequently prepare an updated version of Schedule C, which shall replace the existing Schedule C.
 - a. For greater clarity, termination of participation in a Level-II Cleanfarms Stewardship Program shall not operate to discharge any financial and reporting obligations of the Member to Cleanfarms that have accrued prior to the date of such termination but have not yet been fulfilled.

5. Responsibilities of Cleanfarms

- 5.1 Cleanfarms will abide by the terms and conditions of this Membership Agreement and the Governance Documents.
- 5.2 Without limiting the generality of the foregoing, Cleanfarms agrees to:
- upon the Member's reasonable request, provide a summary of the Applicable Stewardship Program(s), and any relevant update materials;
 - operate the Applicable Stewardship Program(s) in accordance with applicable laws and the Program Requirements;
 - maintain all necessary registrations and approvals required to operate the Applicable Stewardship Program(s);
 - submit information or material to any relevant agency or governmental authority in connection with the Applicable Stewardship Program(s) to the extent required by applicable laws;
 - provide the Member with updated versions of the Governance Documents relating to the Applicable Stewardship Program(s) as soon as such Governance Documents become available and, for the avoidance of doubt, once the Member has received a copy of such updated versions, the Member shall be required to abide by the terms of such updated Governance Documents; and
 - notify the Member promptly when it starts developing or operating new Cleanfarms Stewardship Program that it believes applies to the Member's business and provide the Member with updated versions of Schedules A, B, C and/or D to reflect such new or amended Cleanfarms Stewardship Program(s)".

6. Confidentiality

- 6.1 Both the Member and Cleanfarms agree to keep all Confidential Information confidential and to use Confidential Information for the sole purpose of carrying out its obligations or maintaining its rights under the Program Requirements. Notwithstanding the foregoing, Confidential Information may be disclosed by either party: (i) to its affiliates and directors, officers, employees, advisors and agents who need to know the Confidential Information to carry out such party's obligations under the Program Requirements; and (ii) to the extent requested by any governmental authority purporting to have jurisdiction over such party or as otherwise required by applicable law. In the event that any governmental authority demands disclosure of Confidential Information belonging to the Member, including but not limited to the identities of Member customers or individual sales data, Cleanfarms shall promptly provide written notice of such demand to the Member.
- 6.2 Cleanfarms will not disclose the volume data of an individual Member in an unaggregated form, to any other Member of Cleanfarms or to the directors of Cleanfarms. For greater certainty, Cleanfarms will not disclose aggregated volumes of individual products sold by an individual Member into a specific Canadian jurisdiction, within a specific timeframe, to any other Member of Cleanfarms or to the directors of Cleanfarms

7. Force Majeure

- 7.1 Neither party shall be held liable for any losses resulting if the fulfillment of the terms of this Membership Agreement are delayed or prevented by an Event of Force Majeure. An "**Event of Force Majeure**" includes acts of public enemies, strikes, fires, floods, storms, pandemics (other than reasonably foreseeable consequences of the COVID-19 pandemic), acts of God or any other cause not within the control of either party and which by the exercise of reasonable diligence, either party is unable to prevent. Financial hardship or inability to pay shall not be deemed to be an Event of Force Majeure.
- 7.2 If any obligation cannot be performed when required by this Membership Agreement, the party impacted shall provide immediate notice to the other party advising them of the nature of the Event of Force Majeure and the obligation(s) that cannot be performed as required, the likely duration of any delay and actions being taken by the affected party to mitigate the impacts of the Event of Force Majeure. The party relying on the Event of Force Majeure will re-commence performance of the obligations that it has failed to perform without delay, including through the use of alternate sources, workaround plans or other commercially reasonable means.
- 7.3 In the event such Event of Force Majeure continues and exists for a period in excess of three months, the party not relying on such Event of Force Majeure may terminate this Membership Agreement.

8. General

- 8.1 This Membership Agreement is effective as of the date first written above and will continue until it is terminated in accordance with its terms. Where a party is in breach of its obligations under this Membership Agreement and fails to remedy that breach within 30 days of receiving notice of same, the other party may terminate this Membership Agreement by notice in writing to the breaching party. Notwithstanding any other provision of this Membership Agreement, the obligations of the Member under section 3.2f of this Membership Agreement shall remain in effect for 3 years following the date of termination of the Member's membership.

- 8.2 Either party may terminate this Membership Agreement upon providing 30 days' prior written notice to the other party. For greater certainty, upon termination of this Membership Agreement, the Member is not precluded from participating in stewardship programs offered by other service providers.
- 8.3 Termination of the Member's membership for any reason contemplated hereunder shall forthwith terminate all of the membership rights of the Member but shall not operate to discharge any financial obligations of the Member to Cleanfarms that have accrued prior to the date of such termination but have not yet been fulfilled.
- 8.4 This Membership Agreement does not create any partnership, joint venture, employer/employee, principal/agent or any other relationship between Cleanfarms and the Member, other than that between a not-for-profit organization and its members.
- 8.5 Neither party will assign this Membership Agreement to any other person without the prior written consent of the other party, not to be unreasonably withheld, provided that Cleanfarms may subcontract with third parties to perform all or part of its obligations under this Membership Agreement or under Applicable Stewardship Program(s).
- 8.6 This Membership Agreement, together with the Governance Documents, Program Requirements and the terms applicable to any sales survey, as same may be updated by Cleanfarms from time to time, comprise the entire agreement between the parties with respect to the subject matter hereof and there are no other representations, understandings, or agreements except as contained, in writing, herein or therein. This Membership Agreement may not be modified except by an agreement in writing signed by authorized representatives of both parties. If any provision of this Membership Agreement is held to be unenforceable, the enforceability of the remaining provisions will not be affected.
- 8.7 This Membership Agreement will enure to the benefit of and be binding upon the parties and their lawful successors and permitted assigns.
- 8.8 Any notice required under this Membership Agreement shall be made in writing or delivered via electronic mail. In the case of the Member, written notice or electronic mail will be addressed to the mailing address or email provided by the Member above. In the case of Cleanfarms, notice will be delivered to either:

Email: info@cleanfarms.ca

Written Notice: 10 Four Seasons Place, Suite 400
Etobicoke, Ontario M9B 6H7

- 8.9 Unless the Member's head office is located in Quebec or the Member only participates in Cleanfarms Stewardship Programs in the Province of Quebec, this Membership Agreement is subject to and will be construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein. For those Members where their head office is located in Quebec or the Member only participates in Cleanfarms Stewardship Programs in the Province of Quebec, this Membership Agreement is subject to and will be construed in accordance with the laws of the Province of Quebec and the laws of Canada applicable therein.
- 8.10 This Membership Agreement may be executed in any number of counterparts, and in original or portable document format, and by the different parties hereto on the same or separate counterparts, each of which will be deemed to be an original instrument, and all of which together will constitute one and the same Membership Agreement.
- 8.11 The following Schedules are attached hereto and form a binding part of this Membership Agreement:

Schedule A – Level-I Member Program Schedule

Schedule B – Level-I Member Program Schedule data and fee start dates

Schedule C – Level-II Member Program Schedule

Schedule D – Level-II Member Program Schedule data and fee start dates

Schedule B – Level-I Member Program Schedule data and levy start dates

Pursuant to the Membership Agreement between the Member and Cleanfarms, Members are required to:

- Report and remit data to Cleanfarms on all products identified in Schedule A sold by the Member on or after the “start date for data” listed below.
- Pay fees on all products identified in Schedule A sold by the Member on or after the “start date for fees” listed below.

Members who have used an alternative compliance mechanism (i.e., operated their own government approved program to meet regulatory requirements prior to entering into an agreement with Cleanfarms) should contact Cleanfarms to determine if an adjustment to the start date for data or start date for levies is permitted.

Product Line	Packaging used	Stewardship Program type			Jurisdiction & program type (Regulated (R) or Voluntary (V))	Start date for data (SDD)	Start date for fees (SDF)

- Supply or sell – Use this column to check the products (and in which jurisdictions) a member supplies/sells into.
- Applicable – Use this column to check which Cleanfarms programs the member is paying into.

List of acronyms used in Schedule C:

PEI – Prince Edward Island

III. Requirement to Update Member Program Schedule

The undersigned hereby: (A) acknowledges the accuracy of this Schedule C as of the date hereof; and (B) agrees to amend this Schedule C in accordance with Section 4.

* * * * *

Dated this _____ day of _____, 202__

Member Name: _____

By:

Name:

Title:

ⁱ Peat moss and substrate, including perlite, vermiculite, soil, ceramic and coconut fibers

ⁱⁱ Bedding (wood chip, peat moss, straw, etc.)

ⁱⁱⁱ Animal feed including mixed feeds, pre-mixes, supplements and minerals

Schedule D – Level-II Cleanfarms Stewardship Program data and levy start dates

Pursuant to the Membership agreement between the Member and Cleanfarms, Members are required to:

- Report and remit data to Cleanfarms on all products identified in Schedule C sold by the Member on or after the “start date for data” listed below.
- Pay fees on all products identified in Schedule C sold by the Member on or after the “start date for fees” listed below.

Members who have used an alternative compliance mechanism (i.e., operated their own government approved program to meet regulatory requirements prior to entering into an agreement with Cleanfarms) should contact Cleanfarms to determine if an adjustment to the start date for data or start date for fees is permitted.

Product Line	Packaging used	Stewardship Program type			Jurisdiction & program type (Regulated (R) or Voluntary (V))	Start date for data (SDD)	Start date for fees (SDF)
