

# Expanding ag waste recycling options for Manitoba farmers!

Manitoba agricultural producers can drop-off ag waste materials, free of charge at participating collection sites across the province.

Our ag-retailer and municipal partners collect and store your ag waste materials; then we arrange for them to be transported for recycling or safe disposal.

## Here's what we're collecting

## Where & when

 <p>Containers up to 23L</p>	<p><b>Commercial pesticide &amp; fertilizer jugs</b></p> <ul style="list-style-type: none"> <li>empty jugs up to 23L; triple or pressure-rinsed and placed in a collection bag; bag seed treatment containers separately</li> <li>collection bags available free of charge through retailer at point of purchase</li> </ul>	<p><b>Ag-retailer</b> April to October</p>
 <p>Totes &amp; drums</p>	<p><b>Totes &amp; drums</b></p> <ul style="list-style-type: none"> <li>Drained and rinsed 'bulk', non-deposit pesticide and fertilizer totes and drums</li> </ul>	<p><b>Ag-retailer</b> April to October</p>
